## PICE CIRCULAR NO. 2012-06

**To :** All Chapter Presidents  
All Regional Coordinators  
All Presidents of Affiliate Societies  
All Chairs and Members of the Five Specialty Divisions

**Subject :** 2<sup>nd</sup> ENGINEERING SUMMIT 2012

Greetings from the PICE National Board of Directors.

The Philippine Institute of Civil Engineers, Inc. is a member of the Philippine Technological Council (PTC) the umbrella organization of Accredited Professional Organizations (APOs) of all Technological Professions in the Philippines. PTC is extending their invitation to PICE and our members to attend the **2<sup>nd</sup> Engineering Summit** on January 26-28, 2012 at the Manila Hotel.

The objectives of the Summit:

- 1) To discuss the preparedness of ASEAN engineers upon the full implementation of the free flow of services across the ASEAN member nations comes year 2015.
- 2) To understand the different aspects of Engineering Practice in ASEAN Nations.
- 3) To provide the venue for the conceptualization of collaborative efforts among engineers in the ASEAN Region.
- 4) To assess the engineering education and practice to come out with resolutions to address differences.

This year's theme: "**The ASEAN Engineering Community in 2015**" several activities are lined up for the delegates, as follows:

1. **TECHNICAL SESSIONS.** Listen as experts discuss the latest technologies, best practices and products/services that engineers can use in his/her work place and in the practice.
2. **EXHIBIT.** Visit the exhibit of the latest available engineering equipment, machinery, appliances, personal devices or services which will be showcased by various companies.

PICE is forming a delegation to this event and we hope that each chapter will be represented by at least one (1) member. May we request all chapters to submit the registration forms and payments of our interested members to PICE not later than January 20, 2012. Early registrants of Php4,500.00 will still apply if registration and payment is submitted to PICE.

Attached are information materials about the **2<sup>nd</sup> Engineering Summit**, for your ready reference.

Thank you.

Very truly yours,
